Focus Point 1

- “Things work out the best for those who make the best out of the way things work out - ATTITUDE.”

*Don’t linger about decisions that don’t come out in your favor – get on with it. Get on with being the best you can be with the resources you’re given.

Focus Point 2

- “Everything done is a reflection of the person who did it; so mark your work with excellence.”

*We are in control of the paint brush that creates our portrait; and people will see who we are by the portrait we paint of ourselves.
